The stadium shook people started to scream and a plastic sign fell from above

I passed a bum, passed out and drunk, I stumbled upon what he was sleeping on

Em2

Em2

I picked it up, an unused Bible, a pillow for a fallen man

C

I started to read about this Jesus I had heard of

C

And if I believed in Him I would be saved

D

From all of the calamities that were sure to come

D

And some were already here, I'd witnessed one

C

So I said a little prayer and accepted God's Son

D

Into my life and the Bible as His Word I read

That have arrived among us today

G

I was walking down the street and I met some messengers

G

From the “Only True and Living Church” in ties and white shirts they said

Em2

Em2

Twelve apostles and a prophet live today, but I knew what the Bible said

G

So I rejected it because I knew that believing in Christ

G

Was also believing in all His Word and living it

The fruit of true faith is good works, no other way to put it

Em2

And helps us endure the end

As I walked away I saw another person right in front of me

Em2
Drop a piece of paper he had just received

From a Christian minister upon the street

C
I lifted it up and un-crumpled it

C D
My eyes filled up with tears and I looked to the heavens

D
And reflected back, one score before now I've read it once more

G G
For God so loved the world, that He gave up the life of His only Son

Em2
That whoever would just believe in Him

Em2

Would not perish but have everlasting life

C

I smiled to myself because I knew believing meant

So much more than just saying it but living it

D

And seeing all the signs, and praying to God to make the days short

D

C G

He put the Son's Law on my heart
