

Something Worth Saving

Adam's Road

I turned my back on the good and I didn't follow the path that I should
Hopeless and empty, dark and alone, where have I been? What have I done?
Pleading for mercy I'm trying to get home
Then Your arms reach out to me, and carry me

There's something worth saving in me
Something that I can't see
But You know what You want me to be
Something worth saving

There I was in pieces broken as before
I turned away from You, I can't do it anymore
'Cause the pain I feel inside is all too much to bear
And the emptiness around me brings me to tears

Then I feel Your love embrace me
And it fills my soul and I know

There's something worth saving in me
Something that I can't see
But You know what You want me to be
Something worth saving

So I'll praise You
For the rest of my days (Yahweh)
You're the Way, the Light and the Truth (Alpha and Omega) (John 14:6; Rev. 1:8)
Omega, I'm Your clay! (I'll take the path You gave) (Rom. 9:21; 2 Cor. 4:7)

And I'll give You all the glory (Worship You in Spirit) (John 4:24)
In Spirit I will praise (Praise to You Yahweh)
Because I know that You are the one (You are the Christ) (Mark 8:29)
The Christ, my saving grace (Praise to You)

And You'll not turn away

There's something worth saving in me
Something that I can't see
But You know what You want me to be
Something worth saving

There's something worth saving in me
I can't see
But You know what You want me to be
Something worth saving
