

Falling In Love

Adam's Road

Every time I see Your face, I feel my heart start pounding
And I spend all of the day in awe of Your beauty
With every single breath I speak Your name so lovely
And I have nothing left in the presence of Your glory

And I can't get You out of my mind
I'm always thinking of You
And everything I love about falling in love with You

I think about the pain You felt and all the tears You cried
When You for me gave up Yourself and on the cross You died (Phil. 2:8)
Oh how You quench my thirst with the water of life (John 4:14; Rev. 21:6))
Your love for me is like refreshing rain upon the ground so dry (Isaiah 44:3)

And I can't get You out of my mind
I'm always thinking of You
And everything I love about falling in love with You

Jesus You are the Bridegroom and we're Your Bride
You wash us and we clothe ourselves
With fine linen bright and pure, waiting for You (Rev. 19:7-8)

And I can't get You out of my mind
I'm always thinking of You
And everything I love about falling in love with You
