

## **Run**

Adam's Road

We don't war with the flesh  
But with cosmic powers over  
This present darkness  
And evil forces up above (Eph. 6:12)

But we've already won  
Through Christ who loved us  
We're more than conquerors (Rom. 8:37)

We are to run the race  
With all endurance (Heb. 12:1)  
We are to run  
The prize we'll be given (Phil. 3:13)  
Awaits us in  
Awaits us in the heavens! (Heb. 11:16)  
Awaits us in  
Awaits us in the heavens!  
So we run  
So we run

False prophets will be shown  
And lead people astray (Matt. 24:11)  
The love of many will grow cold (Matt. 24:13)  
If we endure then we'll be saved (Matt. 24:14)

The world is gonna hate (Matt. 24:9)  
We stand firm in our faith (1 Cor. 16:13)  
For Jesus we race

We are to run the race  
With all endurance (Heb. 12:1)  
We are to run  
The prize we'll be given (Phil. 3:13)  
Awaits us in  
Awaits us in the heavens! (Heb. 11:16)  
Awaits us in  
Awaits us in the heavens

We keep ourselves in the love of God  
Waiting for the mercy of our Lord  
That leads to eternal life (Jude 1:21)  
We press on towards the goal for the prize  
Of the upward call of God (Phil. 3:14)

We are to run the race  
With all endurance (Heb. 12:1)  
We are to run  
The prize we'll be given (Phil. 3:13)  
Awaits us in  
Awaits us in the heavens! (Heb. 11:16)  
Awaits us in

Awaits us in the heavens!

So we run

So we run

So we run

So we run
