

## *Son of Man*

Adam's Road

Capo 2

### Intro

G / D / Dsus Csus

G / D / Dsus Csus / C

### Verse

G D Dsus

Sin and death entered the world

Csus C

Through Adam, the first man

G D Dsus

Then death spread to all like him

Csus C

We all have sin

### Pre-Chorus

G D

We were without God, we were lost

Csus  D  
Dead, and blind  
                  G                  D  
But we have been bought by the precious  
                  Csus  D  
Blood of Christ

### **Chorus**

                  G                  Em  
The Son of Man came to reconcile  
                  C                  D  
Sinful man to God through Himself  
                  G                  Em  
He lived the law with no sin  
                  C                  D  
And made a single offering by His death

### **Instrumental**

G / D / Dsus  Csus  
G / D / Dsus  Csus / C

### **Verse**

                  G                  D      Dsus  
God sent forth His Son as a human  
                  Csus                  C  
To adopt us and give us redemption  
                  G                  D      Dsus  
Now we are eagerly waiting  
                  Csus                  C  
For the Son of Man to come again

### Pre-Chorus

G  
We were dead, now alive  
D Csus D  
Our debt nailed to the cross with Christ

### Chorus

G Em  
The Son of Man came to reconcile  
C D  
Sinful man to God through Himself  
G Em  
He lived the law with no sin  
C D  
And made a single offering by His death

### Bridge

C G D Em  
He humbled Himself to the point of death  
C G D Em  
On a lonely cross and so He was given  
Am D Em Csus  
A name above all names

### Chorus

G Em  
The Son of Man came to reconcile  
C D  
Sinful man to God through Himself  
G Em  
He lived the law with no sin

C D  
And made a single offering by His death
