Verse

G D C C

As we walk through life the path we take can bring us to our knees

G D C C

In contemplation or frustration felt from trying to be free

G D C C

From the problems that we cry about but make us say, "So long"

G D C C C

To all our selfishness when Jesus comes replacing cries with songs

Chorus

G D Am Am

You can make a weak man strong

C G D D

And a bitter man be kind

G D Am Am

And lift the burden up

C G D D

To ease the worried mind

Verse

G D C C
Why don't we pray to You more when we know You fill our every need

G D C C
We get so weak sometimes and overlook our faith the little seed

G D C C
That sprouts with every trial and pain it bears upon this lowly road

G D C C C
We think it's hard to see but when we make it back to You we'll know

Chorus

 G D Am Am
You can make a weak man strong

 C G D D
And broken wings take flight

 G D Am Am
And shine the light of truth

 C G D D
To make our pathway bright

Bridge

Am Am Em Em G D Am Am
What was I to do except come running to You?

Am Am Em Em D
When I couldn't get away from all the pain

 D D D Am Am Em Em
You took me to a higher plain

G D Am Em
Only to be united with You

Am Am D D
My heart must be true

Chorus

G D Am Am
You can make a weak man strong

C G D D
And blinded eyes to see

G D Am Am
And fill the empty hole

C G D D
Of every human need

Chorus

G D Am Am
You can make a weak man strong

C G D D
And a bitter man be kind

G D Am Am
And lift the burden up

C G D D
To ease the worried mind

G D Am
You can make a weak man strong
