

By Your Grace

Adam's Road

Here alone I feel Your grace like rain, pouring through
Giving life to my empty soul that longs to be new

I reach for You, I seek for You
'Cause Your love gives me new life
And it's only by Your grace that I am alive (Eph. 2:8-9)

Looking into the night-sky I marvel at what I see
Endless universes You made from dust and caused to be (John 1:3)

I reach for You, I seek for You
'Cause Your love gives me new life
And it's only by Your grace that I am alive (Eph. 2:8-9)

As I breathe You in, I understand
To honor You is why I am

Here alone I feel Your heart of love, beat just for me
Knowing I fit into Your arms so perfectly

I reach for You, I seek for You
There's nowhere else that I'd rather be
'Cause it's only by Your grace that I am free (Eph. 2:8-9)

Hallelujah I am free
Hallelujah I am alive
