

The Sign You've Been Waiting For

Adam's Road

Intro

G GoverF# C D

G GoverF# C D

Verse

G GoverF# C D G GoverF# C D
It's all behind us and even though you cannot see into the past

G GoverF# C D G GoverF# C D
Our memories remind us even the bad times never last

G GoverF# C D G GoverF# C D
We act so mean sometimes but that's just a flash in the pan

G GoverF# C D G GoverF# C D
Seen in a different light mistakes become plans

Bridge

C C D D
And I want you to take it

G GoverF# C D C
Take it all away from me

C D D G GoverF# D D
I've been lost and looking for so long it's hard to see

Chorus

G GoverF#
And when you find your head better keep it on straight

C D G GoverF# C D
Run to the One that can make the pain go away (Jesus loves you)

G GoverF#
And when you look up into the big black sky

C D G GoverF#
Find the brightest star and feast your eyes upon it

C D
It is good, it is so good

C C D D C C
And when you plant your feet on the ground plant them strong

D D
And take a minute to give thanks for all of the good in all of

D D
The world around you, it's all around you

Verse

G GoverF# C D G GoverF# C D
In times of clarity like this there is a certain sense of awe

G GoverF# C D G GoverF# C D
It may be hard to explain exactly what you saw

Bridge

C C D D
But there is no doubt in the mind

G GoverF# C D
This is the sign you've been waiting for

C C D D
There is no doubt in the mind

G GoverF# D D
This is the sign you've been waiting for

Chorus

G GoverF#
And when you find your head better keep it on straight

C D G GoverF# C D
Run to the One that can make the pain go away (Jesus loves you)

G GoverF#
And when you look up into the big black sky

C D G GoverF#
Find the brightest star and feast your eyes upon it

C D
It is good, it is so good

C C D D C C
And when you plant your feet on the ground plant them strong

D D
And take a minute to give thanks for all of the good in all of

D D
The world around you, it's all around you

Verse

G GoverF# C D G GoverF# C D
Now I stand on the roof and kind of try to collect my thoughts

G GoverF# C D G GoverF# C D
Why do some things come so easily while most things are hard sought?

Ending

C C D D G GoverF# C D
But there is no doubt in the mind this is the sign you've been waiting for

C C D D D D
The heavens open wide, and an angel descends like a dove

C C D D
And this is the sign that you've been waiting for

C C D D
And this is the sign that you've been waiting for

C C D D G
And this is the sign that you've been waiting for
