

## The Door

Adam's Road

### Intro

D D

### Verse

D D Bm  
The Lord is my shepherd I shall not want  
Bm A  
In green pastures He makes me lie down  
G D  
Beside still waters I am found

D Bm  
He prepares a table for me  
Bm A  
Anoints my head with oil He restores  
G Em  
My soul, my cup overflows

### Pre-chorus

D  
Even though I walk through the valley  
Bm A G  
Of the shadow of death  
Em A  
I will not fear, He is here

### Chorus

D A Em Em / G  
He is the Door, the only Way  
D A Em Em  
We must enter by Him to be saved

### Instrumental

D D

### Verse

D                                          D                                          Bm  
He's the Good Shepherd He loves His sheep

                                         Bm                                          A  
We know His voice as He leads

                                         G                                          D  
We follow Him to the end

                                         D                                          Bm  
He's not a hired hand, He won't flee

                                         Bm                                          A  
He won't abandon us in need

                                         G  
When He sees the wolf coming

### Pre-chorus

Em                                          D  
He knows us and we know Him

                                         Bm                                          A                                          G  
He goes before His own

                                         Em                                          A  
Laid down His life in sacrifice

### Chorus

D                                          A                                          Em                                          Em / G  
He is the Door, the only Way

D                                          A                                          Em                                          Em  
We must enter by Him to be saved

### Bridge

Em F#m  
  
                                         Em                                          A  
He knows us by name

### Soft Chorus

D                                          D                                          Bm                                          Bm  
He is the Door the only Way

A                                          G                                          A  
We must enter by Him to be saved

### Chorus

D                                          A                                          Em                                          Em / G  
He is the Door, the only Way

D                                          A                                          Em                                          Em / G  
We must enter by Him to be saved

**Chorus**

D            A            Em    Em / G  
He is the Door, the only Way

D            A            Em    Em  
We must enter by Him to be saved

**End**

D D
