

## *Open Your Eyes*

Adam's Road

“I sit across from you I know I stand for the truth  
Yet I'm speechless  
You say that you serve Christ and that I am blind  
Deceived, and lost”

“And I tell you the truth:  
Jesus from the Bible saves not by worthiness  
Only by faith in His gift of grace (Eph. 2:8-9; Titus 3:5)  
You serve a different Christ, one whose blood isn't enough  
Until you do your part

When the terms of salvation and grace are different  
Isn't that a different Christ?

Would you open your eyes and see for the very first time?  
Would you unstop your ears and listen to God's Word so clear?  
Would you soften your heart?  
That's when He will start to heal you” (John 12:40)

“We believe the Bible is the Word of God  
As far as it's translated correctly”  
“But the Bible is God's Word infallible (Matt. 24:35)  
Nothing supersedes or is more correct  
And like the Pharisees you bring leaven into this bread (Matt. 16:12)  
With a living Prophet

Even if an angel from heaven brings another gospel  
The Bible says to reject it (Gal. 1:8-9)  
Well haven't you received and proclaimed it”  
“It's another testament, not another gospel”

Oh, would you open your eyes and see for the very first time?

Would you unstop your ears and listen to God's Word so clear?  
Would you soften your heart?  
That's when He will start to heal you" (John 12:40)

I challenge you to read the Bible as a child and if you do (Matt. 18:3)  
I promise that God will open your eyes and show you the truth

It's been a year and now  
He's opened my eyes, I see for the very first time  
I've unstopped my ears now I can hear God's Word so clear

Let's open our eyes and see for the very first time  
Let's unstop our ears and listen to God's Word so clear  
Let's soften our hearts that's when He will start to heal us (John 12:40)
